PRAYER REQUEST AND PRAISES

During this Time apart, we need to be lifting each other up in prayer.

Please be in prayer for Cecil and the family as they go through this time of grieving the loss of Margaret and begins a new normal.

Please be in prayer for those that are working from home, working less hours, and not able to work at all right now.

Please be in prayer for children as they are finishing up the school year at home. Prayer for parents and students and for patience.

Sharon Winstead is asking prayer for her son Nathan who was in an accident on April 30, that totaled his friend's car. His friend, Kenzie is experiencing pain, but Nathan has had no issues.

Brenda Bowden praises God for our Pastor and all the support that has been given in this time of upheaval. Praising God for her ladies group that has benefited from being able to connect and support each other during this time.

Barry & Barbara are asking for prayer for Barry's brother. He has MS and has been causing him to be in and out of the hospital over the last few months. He is back in the hospital and in need of our prayers as he is working through complications with MS.

Pray for our Pastors and each other, for peace, direction and guidance during this strange time.

Linda Egnor asked for prayer for her mother. She is having breathing problems. She is seeking treatment. Pray for a recovery

Wilma Stephens is out of the hospital and recovering from her breathing issues. Praise God!

Praise God, that Sharon and Donald have been able to overcome the pneumonia that placed them in isolation for over two weeks.

Sabrina Hudson is asking for Prayer for her family

Janice Lararte is asking for prayer for her co-worker's daughter. She is in her 20's and has a mass located above her heart and is in critical condition. She has undergone surgeries and they had to stop because her body could not take it. Her parents are waiting in the parking lot of the hospital hoping that their daughter will be able to be restored to them. Pray for them.
